February 19, 2021

Dear Liberty Community,

We have some Very Exciting News!!!- Beginning on Monday March 1st, the Liberty School District will transition away from the A/B Hybrid schedule and will be offering In-Person instruction for **ALL GRADES** K-12. Students who have been attending school fully remote may choose to continue with that mode of instruction but the hybrid schedule will no longer be an option.

Currently Kindergarten is attending school 5 days a week and grades 1-6 are attending 4 days a week. On March 1st, grades 7-12 will also begin attending school 4 days a week on Monday, Tuesday, Thursday and Friday. Wednesdays will remain as remote school days at this time to allow for the transition to all students back at school.

Masks will continue to be required as is the social distancing in classes. Since there will be some classes in grades 7-12 that won't be able to fit all students with 6 foot distancing, we will be implementing a satellite or overflow room. Classes with more students than seats will send the number of overloaded students to the satellite room for that period. Students in the satellite room (HS Cafeteria) will login to their class through google meets and the class will be broadcast out so the students can attend digitally. Classes each day will rotate which students are assigned to the satellite room so that all students will have the same, equitable in person instruction time with that teacher.

As we make the transition to all students returning to school, not all of the 7-12 classes will be streamed live on a daily basis. Classes will be streamed live only if there is a student in that class who is in one of the following categories:

- A Student who is attending from the satellite room.
- A Student who is registered as full remote learning only.
- A Student who is on a COVID quarantine for more than 2 days.

Work is still being completed on the bell schedule to determine if/when there will be a change in the school day. Once these details and schedules have been finalized, this information will be shared with all.

Until social distancing requirements are changed by the CDC and/or the state, the plan listed above is the only procedure we can use to offer in school instruction on a daily basis.

Fitness Center-

With the change in State Phases to Phase 2, we are also happy to announce that Liberty School District will finally be able to re-open the Fitness Center on a limited basis starting **March 1st**. Those with Fitness Center memberships may again begin using the facilities on that date with the following guidelines:

- No more than eight (8) people may be in the Fitness Center at any one time.
- Masks **MUST** be worn while in the building.
- Please spray sanitizer and wipe on all workout equipment immediately before and after use.
- Your paid membership from 2020 is good through December 2021.
- If you need to purchase a membership for 2021 contact the high school office.

If you have any questions, please do not hesitate to contact me.

Thank you again Liberty Community for your great support of our students and our school district!

Sincerely,

A handwritten signature in blue ink that reads "Brett Baum". The signature is fluid and cursive, with a long horizontal stroke at the end.

Brett Baum,
Superintendent
Liberty School District
