

Hello K-8 Parents:

Junior Boosters has been asked to again offer the \$25 "Easy Option" for school supplies if you'd rather save some shopping hassle!

Junior Boosters will purchase durable, quality, brand-consistent supplies at bulk rates if you choose this option. **Please note personal backpacks, P.E. shoes and uniforms, water bottles and classroom snacks are not included in the Easy Option.**

Note that grades covered are K-8 this year and having payment soon helps secure the best pricing as school items are usually on sale in July.

Easy Option payments may be made payable to Liberty Junior Boosters and mailed anytime this summer to Liberty Junior Boosters, PO Box 1, Spangle, WA 99031. Please note which student(s) and grade(s) with any payment as that is the most efficient tracking for volunteers. You may also email Junior Boosters with your intent to utilize the Easy Option (the sooner, the better- PLEASE!).

Have a great summer!
