“Our district uses an equity analysis process every three months to monitor progress, adjust strategies and identify student learning gaps.”

Liberty School District uses an ongoing equity analysis process to monitor student progress, adjust strategies and identify gaps in student learning. Sustained and continuing support and/or training will be offered to parents/caregivers in areas of need in an equitable manner. In order to support all students, especially those within vulnerable populations, staffing

and professional development strategies will be developed and implemented to best serve all student needs. As a result of professional development, all staff will be clear on their roles and responsibilities.
